

Request to Opt-out of / Opt-in to Compensation for Surplus Electricity

Thank you for participating in the Net Energy Metering (NEM) program.

Because you generated more electricity than you used over your true-up period, you are eligible to receive payment for the surplus electricity.

Please select one of the options below. Fill out this form completely, sign it, and return it to the Pacific Gas and Electric Company using one of the methods listed at the bottom of this form.

Participation Options

- ☐ I choose not to participate in the NEM compensation program. I understand that I will not receive payment for any surplus electricity on my NEM True-up Statements. This election will remain in effect until I let PG&E know otherwise by resubmitting this form.
- ☐ I previously opted out of the NEM compensation program. Please re-enroll me in the program so that I can receive payment for the surplus electricity on my next NEM True-up Statement. This election will remain in effect until I let PG&E know otherwise by resubmitting this form at least 30 days in advance of my next true-up month.
