PG&E Data Request No.:	CalAdvocates_040-Q17		
PG&E File Name:	WildfireMitigationPlans_DR_CalAdvocates_040-Q17		
Request Date:	February 19, 2021	Requester DR No.:	CalAdvocates-PGE-2021WMP-06
Date Sent:	February 24, 2021	Requesting Party:	Public Advocates Office
PG&E Witness:		Requester:	Alan Wehrman

The following questions relate to PG&E's 2021 Wildfire Mitigation Plan (WMP) Update.

**Subject: GIS data.**

**QUESTION 17**

For each of the following categories of WMP-related events and mitigation work listed below, please state whether PG&E has provided geospatial data to the Wildfire Safety Division covering the first and second quarters of 2020, and if so, the date when PG&E provided the data.

- a. Outages
- b. Utility-related Ignitions
- c. Mitigation work completed for each WMP initiative

**ANSWER 17**

PG&E submitted GIS data on February 5, 2020, through its 2020 Wildfire Mitigation Plan. This data is accessible under the 2020 Wildfire Mitigation Plan, Attachment 6: GIS Files. Following the 2020 GIS data submissions, Wildfire Safety Division (WSD) released its Draft Wildfire Safety Division Geographic Information System (GIS) Data Reporting Requirements and Schema for California Electrical Corporations, on August 5, 2020, in an effort to create standardization and comparability across electrical corporation GIS submissions. In response, PG&E has delivered its GIS Data Standard submission to the CPUC in Q3 2020, Q4 2020, and Q1 2021.

- a) PG&E submitted Q2 2020 outage data in PG&E's first quarterly submission in response to the "Draft Wildfire Safety Division (WSD) Geographic Information System (GIS) Data Reporting Requirements and Schema for California Electrical Corporations". This data was submitted September 9, 2020
- b) PG&E submitted Q2 2020 ignition data in PG&E's first quarterly submission in response to the "Draft Wildfire Safety Division (WSD) Geographic Information System (GIS) Data Reporting Requirements and Schema for California Electrical Corporations". This data was submitted September 9, 2020

- c) PG&E submitted Q2 2020 WMP Initiative data in PG&E's first quarterly submission in response to the "Draft Wildfire Safety Division (WSD) Geographic Information System (GIS) Data Reporting Requirements and Schema for California Electrical Corporations". Specifically, PG&E submitted WMP Initiative data for the Grid Hardening, Asset Inspections, and Vegetation Management Feature Classes This data was submitted September 9, 2020.

Please refer to the file titled "WildfireMitigationPlans\_DR\_CalAdvocates\_040-Q17Atch17", which records data availability, status, and related information for PG&E's WSD GIS Data Standard submission described above.
